

FATHER/SON BASEBALL CLINIC

***Sponsored By: Avera Sports Institute &
The Sioux Empire Baseball Association***

Join the Avera Sports Institute and the Sioux Empire Baseball Association staff Saturday, April 24, 2010 at the Avera Sports Institute (1601 West 44th Place) for a Father/Son Baseball Clinic. The Father/Son Baseball Clinic is designed for dads to learn proper throwing, hitting and fielding mechanics in order to help their sons become better baseball players. Join the clinic staff for this hands-on approach to learning baseball skills and drills with your son. Moms and grandparents are welcome, too!

Registration: All clinic participants are encouraged to pre-register by completing the form below and mailing/faxing it to the Avera Sports Institute. A limit of 60 players will be allowed into each age session. Players and parents are asked to bring a glove and suitable workout gear. No spikes are allowed in the Avera Sports Institute.
